

Multiple Shop Membership Application Primary Location

As a member of the Automotive Service Association® (ASA) I will adhere to the ASA Code of Ethics and I will abide by the association's bylaws. As stated in the ASA bylaws, regular members shall be automotive service businesses that provide automotive repairs/services to the motoring public, and/or businesses who provide repairs/services to exclusive vehicle fleets. I understand that membership in ASA is non-refundable. I also understand that ASA membership dues are deductible as a business expense for federal income tax purposes but are not deductible as a charitable contribution. I further understand that the name Automotive Service Association, the ASA sign and the ASA logo are registered trademarks, are the property of ASA, and should be used in accordance with the logo guidelines.

The ASA Multiple Shop membership program is available to shops that are independently owned and have more than one shop location. The primary shop will pay full membership dues (national, affiliate and chapter dues where applicable) and all subsequent shop locations will pay one half of the total membership dues. Only the primary shop will have association voting rights, while all shop locations will have access to ASA national member benefits. Those members who contribute to the Automotive Management Institute (AMI) "Driving Your Success Program" may enroll additional shop locations at one half of the membership rate.

*** PLEASE TYPE OR PRINT LEGIBLY ***

Should your membership in ASA ever expire, you agree, at that time, to discontinue all uses of the association's logo and signs.

Policy:

1. ASA provides you with an ASA door decal and an ASA aluminum sign if elected. Additional signs may be obtained for a one-time rental charge. All signs are considered rental property and as such should be returned upon termination of membership.
2. Only members in good standing may display or use the ASA emblem.
3. Members in good standing may reproduce the ASA logo on printed material produced for or by them in accordance with the ASA logo guidelines. To view the logo guidelines, please visit the ASA Web site, www.ASAshop.org.
