OFFICIAL ASA MEMBER BENEFIT PARTNER

YOUR FRONT DESK, HANDLED.

On a busy service day the phone rings while your advisor is writing an RO or checking a customer out. Central's AI front desk picks up **every time** — qualifies the caller and books the job straight into the calendar you already run. Calls, texts, web chat, and social DMs, 24/7, in 30+ languages, for one flat monthly price.

SCOPE OF WORK

- | | |
|--|--|
| <p>✓ J-01 Answers every channel
Phone, text, web chat, WhatsApp, social DMs — day or night. Nothing goes to voicemail.</p> | <p>✓ J-02 Books into your calendar
Qualifies each caller against your rules and drops confirmed appointments into the tools you use.</p> |
| <p>✓ J-03 Works with your shop software
Sits in front of your management system, not on top of it. Syncs contacts, logs every transcript. No rip-and-replace.</p> | <p>✓ J-04 Knows your callers
Pulls up customer history before the first word, then hands your team a full summary on every warm transfer.</p> |
